

# Vehicle Care & Protection

For all types of vehicles

HIGH  
FLASH  
POINT

## MECH. PARTS DEGREASER

High Flash Solvent Degreaser

### FEATURES & BENEFITS:

- Non dangerous goods classification
- No transport or storage restrictions due to its high flash point.
- 'Quick Break' laboratory tested (total separation of oil and water).
- Excellent for cleaning and degreasing dirty engines and parts, tools, mowers, bikes, chainsaws, etc.
- Ideal in immersion tanks and parts washers.
- Ready to use and works rapidly - simply brush on and rinse off.
- Will remove grease from concrete floors and driveways.
- Moderate aromatic solvent.
