For all types of vehicles

Ready
To Use

WORKSHOP DEGREASER

Heavy Duty Degreaser

FEATURES & BENEFITS:

- 'Ready To Use' water based heavy duty degreaser.
- Converts oil and grease into a water soluble solution.
- Biodegradable and 'Quick Break' laboratory tested (total separation of oil and water).
- Excellent on engines, in lube bays and general use in the workshop, garage or around the home.
- Easily applied, simply brush or spray on, then hose off.
- Can be diluted 1 to 10 parts water for light degreasing.
- Budget priced.
